The South Dakota Department of Transportation (SDDOT) will hold an open house style public meeting to discuss and receive public input on the above project. The open house will be informal, with one on one discussion with SDDOT design staff. If you are unable to attend the meeting in person, you may join the meeting virtually via Facebook Live from the Town of Keystone Facebook page. You will need to be a member of this page to gain access.

A presentation will take place shortly after 5:30 p.m. Afterwards, SDDOT staff will be available with displays to discuss the proposed project and answer your questions. During this time, you will also have the opportunity to present written comments.

Information will be available on the acquisition of right-of-way and relocation assistance. This project is being developed in compliance with state and federal environmental regulations.
