# Smart Sharing

**Purpose:** Identify specific ways to be internet smart and what it means to share with care.

Some information is OK to share online, but some should be kept private. These kids are about to make decisions that may or may not be internet smart. **What might you do to stay safe online if you were in their shoes?**

[b3n] Hey! It's Ben from camp.
[you] Hi!
[b3n] What's your number?
[b3n] Got a hilarious camp pic to share!
